## SAVING LIVES FOR 95 YEARS

Magen David Adom is Israel's lifeline. With 37,500 volunteers and staff, 1,800+ vehicles, and 98% of the nation's blood supply, MDA saves lives every day. For 95 years, it has acted with compassion and courage—protecting lives, responding to every crisis, and strengthening Israel's resilience for whatever tomorrow may bring.

## YOUR IMPACT FOR GENERATIONS TO COME

A planned gift to CMDA is both simple and deeply meaningful. It reflects your commitment to making a lasting impact on the lives of others. By allowing your support to go further, it delivers emergency relief where it's needed most and becomes a legacy that protects future generations. As a philanthropic visionary, your generosity will continue to sustain Israel, playing a vital role in shaping the future of the country for the generations to come.

## LEAVING YOUR LEGACY TO CMDA

### Use a Life Insurance Policy

Designate CMDA as the beneficiary of a new or existing policy. It is a simple way to make a meaningful gift with potential tax benefits.

### Donate Securities or Stocks

- Gifting publicly traded securities or mutual funds is a tax-efficient way to support CMDA. Your planned gift protects lives and helps build a stronger and more secure future for Israel, ensuring your generosity makes a lasting impact.

## TOGETHER WE CAN MAKE A DIFFERENCE

Donors take decisive action to shape a secure future - partnering with MDA to carry their values forward as a lasting force for good in Israel's emergency response.
